Our outfitting operation is located in Reserve, New Mexico, a Prime Hunting and Fishing Area of Catron County. We offer Fully Outfitted and Guided Archery, Muzzleloader and Rifle Hunts for Elk, Mule Deer, Antelope, Bear, Oryx, Turkey and Predators. The Outfitter has been guiding hunters in the Gila and Apache National Forest professionally for 10+ years and was born and raised in the area.

Gila & Apache Outfitting & Guide Service is a family owned business that has been helping hunters take Trophy Elk on public land in the Gila National Forest and Apache National Forest of New Mexico. Johnny DeLaO is the Owner and Michael DeLaO is the Business Manager, Booking Consultant and Landowner Tag Broker.

At Gila & Apache Outfitting and Guide Service, our goal is to provide our clients with a truly memorable hunting experience. We do this by limiting the numbers of hunters we take on each hunt so that our clients will be guided by one of our highly skilled, professional guides. We have been hunting in this area over 10 years and have achieved a reputation for bringing in monster elk from the majestic mountains of the Gila National Forest and the Apache National Forest in Southwestern New Mexico. We also offer Trophy Deer Hunts in one of the best deer units in New Mexico.

Gila & Apache Outfitting & Guide Service Johnny DeLaO, Owner

Welcome Hunters!

My name is Michael DeLaO, Business Manager, Booking Consultant, and Landowner Tag Broker of Gila and Apache Outfitting & Guide Service. Johnny DeLaO is the Owner.

Gila and Apache Outfitting & Guide Service provides a service to any hunter who prefers the advantage of having an experienced Outfitter / Guide who was born and raised in the Gila and Apache National Forests. I, along with my hand-selected guides, have hunted the Gila and Apache NF professionally for over ten years.

We take great pride in assisting you with a successful hunting trip. Our business is based on repeat clientele, and we would like for you to join the many sportsmen who have come to rely on us for our consistency in trophy hunting.

My professional guides have the most intimate knowledge of the unit(s) you will be hunting. We ensure our clients a grand hunt by limiting the amount of hunters we take on each outing. This increases your chances of success. Over the years we have guided many hunters who have had tremendous success in harvesting world class animals on public land. But don't take our word for it, our photos speak for themselves.

So, don't hesitate. You could be in store for the hunt of a lifetime!
